

- Construction Update - Peninsula Road Improvements

Please be advised that Hazelwood Construction Services Inc., working on behalf of the District of Ucluelet, continues construction work to complete street upgrades in your area. With most of the underground utilities now complete, focus has now turned to surface improvements including new concrete curbs, concrete sidewalks, asphalt paving, road markings, and boulevard improvements.

To assist with construction, traffic control along Peninsula Road will be Single Lane Alternating Traffic (each side taking turns through the construction zone). Some limited local road closures with detours will be required. Access for local residents and businesses within the construction area will be provided.

The following schedule is anticipated for the remaining surface works:

- Concrete Curb & Driveways – Week of June 10
- Asphalt Removal & Road Grading (Sea Plane Base Rd to Bay St) - Week of June 10 & 17
- Road Grading & Bottom Lift Paving (Sea Plane Base Rd to Bay St) - Week of June 24
- Asphalt Milling & Top Lift Paving (Forbes Rd to Bay St) - Week of July 2 & July 8
- Line Painting & Shouldering (Forbes Rd to Bay St) - Week of July 8
- Landscaping – Week of July 8 & 15
- Final Clean Up – Week of July 22

ALL BUSINESSES WILL REMAIN OPEN DURING CONSTRUCTION

Every effort will be made to keep local disruptions to a minimum. Construction signs will be posted and flag persons will be on duty to assist with the traffic flow. Please exercise caution, obey all signage placed for your safety and follow the directions of the flag persons on duty. If you have young children, please advise them of the dangers and limited visibility of heavy equipment and trucks.

For the latest information and project updates, please visit our current construction project website at:

www.ucluelet.ca/community/district-capital-projects/peninsula-road

If you have any questions, or require further information regarding this project, the following people will be available to assist you:

<p>Hazelwood Sue Bassett Project Manager 250-716-1940 sbassett@hazelwood.ca</p>	<p>District of Ucluelet James MacIntosh Director of Engineering 778-748-8488 jmacintosh@ucluelet.ca</p>	<p>Hazelwood Ryan Bissenden Superintendent 250-713-4052 ryan.bissenden@hazelwood.ca</p>

We thank you in advance for your cooperation and understanding during this construction period.

- Construction Notice - Peninsula Road Improvements

General Considerations

- While there will be delays during peak travel times, through traffic will be permitted on Peninsula Road.
 - Traffic will be Single Lane Alternating Traffic (each side taking turns through the construction zone).
- Travel speeds will be lower in the construction zone and there will be some restrictions on turning from time to time.
- Pedestrians - when present, priority is to be given through the site by TCP or qualified personnel.
- Cyclists - when present, are to either (1) dismount and travel through work zone as pedestrian or (2) take the lane and travel ahead of vehicles when directed by TCP or qualified personnel.
- Typical hours of work for this project will be Monday to Friday, 7:00 AM to 7:00 PM (weather & conditions permitting), with work after hours and weekends as required.
- Construction noise and vibration should be expected during working hours.
- If you live in the area and have young children, please advise them of the dangers of construction and the limited visibility of heavy equipment and trucks.
- **All businesses will remain open during construction.**
