2018 Annual Report Message From The Mayor

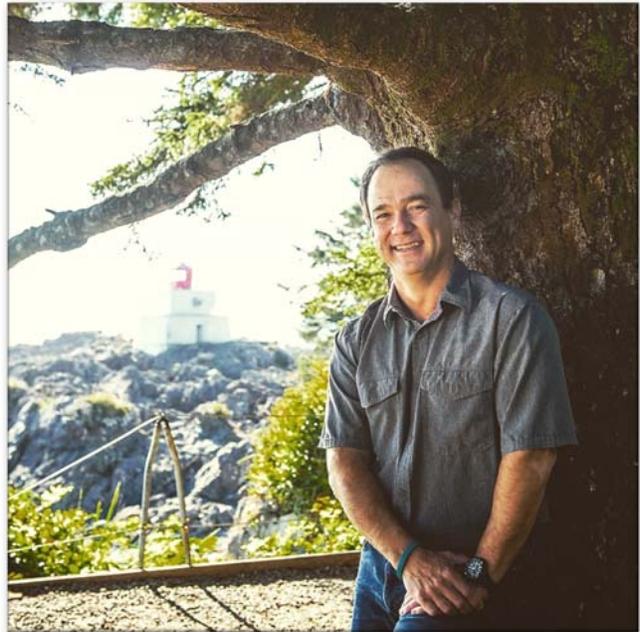

I have the great honour of leading Council for the next four years. We started by producing a Strategic Plan that will guide the District for the rest of Council's term. Our Annual Report shares our progress with the community on what we've achieved in 2018 and key initiatives planned for 2019.

Born and raised in the area, I understand our sense of community and the need to protect what we have going forward. We are at a unique moment in Ucluelet's history as we have never had so many opportunities to advance our community. Having a clear plan and a strong commitment to our word will keep our group focused on our goals.

Our Annual Report is about goals, actions, and prioritizing communication and engagement with the community. This Council is committed to listening to residents and we have set actions intended to improve municipal processes based on what we have heard.

I look forward to working with our staff to ensure our residents and businesses are put first in our decisions and policies. Our residents define the character of our community and Ucluelet is still a place where community spirit thrives.

Thank you.
Mayor Mayco Noël

2018 Annual Report Overview

OUR COMMUNITY, OUR FUTURE

The District of Ucluelet is a self-contained community located on the rugged west coast of Vancouver Island within the traditional lands of the Yuułu?if?ath First Nation. Ucluelet has the benefit of a range of assets and amenities relative to its size and although considered to be remote, enjoys excellent physical and digital access to the rest of the world. The community is defined by a deep appreciation for the natural environment and a culture of creativity and resilience. With a strong sense of community, residents rely on one another and take pride in their spirit of partnership and volunteerism. Despite fluctuations in the economy and local industries over time, Ucluelet has always adapted and thrived. We see a bright future for our community with quality, sustainable infrastructure and services to support a population of all ages, from young families to active retirees who choose to call Ucluelet home. As our community faces demands for growth, we will strive to preserve our quality of life and our natural assets while ensuring that future development is aligned with our community's values.

OUR ROLE

The District of Ucluelet provides leadership in the community with emphasis on inclusive and strategic planning for the future. We play a role in unifying the community towards a common vision and communicating with our residents on issues that are important to them and the District. We collaborate with our neighbors to enhance our collective provision of services and to ensure effective advocacy on issues that affect our region. Ultimately, our role is to pursue the aspirations of our community and leave a legacy for future generations.

OUR COMMITMENT

- LEAD BY EXAMPLE
- OWN OUR DECISIONS AND THE OUTCOMES
- BE PREPARED AND INFORMED AS WE MAKE DECISIONS
- BE COLLABORATIVE WITH OUR PARTNERS
- HAVE AN OPEN MIND
- BE CONSISTENT

Parks and Recreation Department Overview

Key responsibilities include:

- Community Programming
- Community Health
- Community Special Events
- Facilities (asset management)
- Trails & Green Spaces
- Beautification
- Playgrounds
- Public Realm Projects (parks, paths, roads, facilities)

The Parks and Recreation department provides the fundamental building blocks for a healthy and flourishing community. The Ucluelet Parks & Recreation Master Plan Executive Summary notes that Ucluelet has a strong sense of community. We feel this is in part due to the wide variety of recreation programs offered here, in addition to the special events occurring throughout the community each year. Our focus is to provide and support excellent programs, special events with community group involvement and facilities, and continue to promote and strengthen the sense of community. Ucluelet Parks and Recreation Department is committed to ensuring a high level of excellence in its service to the community and continues to strive to promote an atmosphere of friendly and efficient service.

INDEPENDENT AUDITORS' REPORT

To the Mayor and Councillors of the District of Ucluelet

Opinion

We have audited the consolidated financial statements of the District of Ucluelet (the Entity), which comprise:

- the consolidated statement of financial position as at end of December 31, 2018;
- the consolidated statement of operations for the year then ended;
- the consolidated statement of changes in net financial assets for the year then ended;
- the consolidated statement of cash flows for the year then ended;
- and notes to the consolidated financial statements, including a summary of significant accounting policies;

(hereinafter referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the Entity as at December 31, 2018 and its consolidated results of operations, its consolidated changes in net financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the “**Auditors’ Responsibilities for the Audit of the Financial Statements**” section of our auditors’ report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

District of Ucluelet

Emphasis of Matter – Comparative Information

We draw attention to Note 17 to the financial statements, which explains that certain comparative information presented for the year ended December 31, 2017 has been restated.

Note 17 explains the reason for the restatement and also explains the adjustments that were applied to restate certain comparative information.

Our opinion is not modified in respect of this matter.

As part of our audit of the financial statements for the year ended December 31, 2018, we also audited the adjustments that were applied to restate certain comparative information presented for the year ended December 31, 2017. In our opinion, such adjustments are appropriate and have been properly applied.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Report 2018

District of Ucluelet
Page 3

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.

Auditor's Report 2018

District of Ucluelet
Page 4

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group Entity to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

Management Responsibility

Management's Responsibility for the Consolidated Financial Statements

The accompanying consolidated financial statements of the District of Ucluelet (the "District") are the responsibility of management and have been prepared in compliance with applicable legislation, and in accordance with generally accepted accounting standards for local governments as established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. A summary of the significant accounting policies are described in note 1 to the consolidated financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The District's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the financial statements. These systems are monitored and evaluated by management.

Mayor and Council meet with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by KPMG LLP, independent external auditors appointed by the District. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the District's financial statements.

DISTRICT OF UCLUELET

Notes to Consolidated Financial Statements

Year ended December 31, 2018

District of Ucluelet (the "District") is a municipality in the Province of British Columbia and operates under the provisions of the Local Government Act and the Community Charter of British Columbia. The District's principal activities include the provision of local government services to residents of the incorporated area.

1. Significant accounting policies:

The consolidated financial statements of the District are prepared by management in accordance with Canadian public sector accounting standards for governments as recommended by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants of Canada. Significant accounting policies adopted by the District are as follows:

(a) Reporting entity:

The consolidated financial statements reflect the combination of all the assets, liabilities, revenues, expenses, and accumulated surplus of the District. Inter-departmental balances and transactions have been eliminated.

The consolidated financial statements of the District include the activities of the Ucluelet Economic Development Corporation which is owned by the District.

The consolidated financial statements include the District's investment in government business enterprises using the equity method of accounting.

The District administers certain trust assets on behalf of external parties which are excluded from the financial statements.

(b) Basis of accounting:

The District follows the accrual method of accounting for revenues and expenses. Revenues are normally recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

(c) Government transfers:

Government transfers are recognized in the consolidated financial statements as revenues in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made, except when and to the extent the transfer gives rise to an obligation that meets the definition of a liability.

DISTRICT OF UCLUELET

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2018

1. Significant accounting policies (continued):

(d) Property tax revenue:

Property tax revenue is recognized on the accrual basis using the approved tax rates and the anticipated assessment related to the current year.

(e) Deferred revenue:

Deferred revenue includes grants, contributions and other amounts received from third parties pursuant to legislation, regulation and agreement which may only be used in certain programs, in the completion of specific work, or for the purchase of tangible capital assets. In addition, certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred, services performed, or the tangible capital assets are acquired, thereby extinguishing the related liability.

(f) Development cost charges:

Development cost charges are amounts which are restricted by government legislation or agreement with external parties. When qualifying expenditures are incurred development cost charges are recognized as revenue in amounts which equal the associated expenses.

(g) Cash and cash equivalents:

Cash and cash equivalents include short-term, highly liquid investments with a term to maturity of 90 days or less at acquisition. Cash equivalents also include investments in the Municipal Finance Authority of British Columbia ("MFA") Money Market Funds which are recorded at cost plus earnings reinvested in the funds.

(h) Investments in government business enterprise:

The District is a limited partner in Barkley Community Forest Limited Partnership, a government business enterprise. The District's investment is accounted for on a modified equity basis. Under the modified equity basis, the government business enterprise's accounting policies are not adjusted to conform with those of the District and interorganizational transactions and balances are not eliminated. The District recognizes its equity interest in the annual income or loss of the government business enterprise in its consolidated statement of operations with a corresponding increase or decrease in its investment asset account. Any dividends that the District may receive from the government business enterprise are reflected as reductions in the investment asset account.

1. Significant accounting policies (continued):

(i) Deposits and prepayments:

Receipts restricted by third parties are deferred and recorded as deposits and are refundable under certain circumstances. Deposits and prepayments are recognized as revenue when qualifying expenditures are incurred.

(j) Employee future benefits:

The District and its employees make contributions to the Municipal Pension Plan. These contributions are expensed as incurred.

Sick leave and other benefits are available to the District's employees. The costs of these benefits are estimated based on accumulated sick leave and best estimates of future usage and expected future salary and wage increases. The obligations under these benefit plans are accrued based on projected benefits as the employees render services necessary to earn the future benefits.

(k) Investment income:

Investment income is reported as revenue in the period earned. When required by the funding government or related Act, investment income earned on deferred revenue, development cost charges and deposits and prepayments is added to the investment and forms part of the liability balance.

(l) Debt:

Debt is recorded net of related payments and actuarial earnings.

1. Significant accounting policies (continued):

(m) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(i) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The costs, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their estimated useful lives as follows:

Asset	Useful life - years
Buildings	10 - 60
Equipment	5 - 25
Other structures	15 - 50
Roads	20 - 60
Sewer structures	10 - 50
Drainage structures	30 - 50
Water structures	10 - 50

Amortization is charged annually, including in the year of acquisition and disposal. Assets under construction are not amortized until the asset is available for productive use.

Tangible capital assets are written down when conditions indicate that they no longer contribute to the District's ability to provide goods and services, or when the value of future economic benefits associated with the asset are less than the book value of the asset.

(ii) Contributions of tangible capital assets:

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

1. Significant accounting policies (continued):

(n) Non-financial assets (continued):

(iii) Natural resources:

Natural resources that have not been purchased are not recognized as assets in the consolidated financial statements.

(iv) Works of art and cultural and historic assets:

Works of art and cultural and historic assets are not recorded as assets in these consolidated financial statements.

(v) Interest capitalization:

The District does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset.

(vi) Leased tangible capital assets:

Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

(vii) Inventory of supplies:

Inventory of supplies held for consumption are recorded at lower of cost and replacement cost.

(n) Contaminated sites:

The District records a liability in its financial statements when contamination on non-active property exceeds an accepted environmental standard and the District is directly responsible, or accepts responsibility for, the damage. The liability is measured at the District's best estimate of the costs directly attributable to remediation of the contamination. No contaminated sites liabilities have been recorded in these financial statements.

1. Significant accounting policies (continued):

(o) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Significant estimates include assumptions used in estimating historical cost and useful lives of tangible capital assets and estimating provisions for accrued liabilities including employee future benefits and contingencies. Actual results could differ from these estimates.

6. Debt:

- (a) The District issues debt instruments through the Municipal Finance Authority (MFA), pursuant to security issuing bylaws under authority of the Local Government Act, to finance certain capital expenditures.

	Gross debt	Repayments and actuarial earnings	Net debt 2018	Net debt 2017
MFA Issue 117	\$ 1,948,000	\$ 372,684	\$ 1,575,316	\$ 1,635,021

	<u>\$ 2,423,000</u>	<u>\$ 398,786</u>	<u>\$ 2,024,214</u>	<u>\$ 2,115,000</u>

As a condition of the borrowing through the MFA, the District is obligated to lodge security by means of demand notes and interest bearing cash deposits based on the amount of the borrowing. The deposits are included in the District's financial statements as restricted cash. If the debt is repaid without default, the deposits are refunded to the District. The notes, which are contingent in nature, are held by the MFA to act as security against the possibility of debt repayment default and are not recorded in the financial statements. Upon the maturity of a debt issue the demand notes are released and deposits refunded to the District. As at December 31, 2018 there were contingent demand notes of \$50,232 (2017 - \$50,232) which are not included in the financial statements of the District.

The loan agreements with the Alberni-Clayoquot Regional District and the MFA provide that, if at any time the scheduled payments provided for in the agreements are not sufficient to meet the MFA's obligations in respect to such borrowings, the resulting deficiency becomes a liability of the District.

- (b) Principal and interest payments on debt for the next five years are as follows:

2019	\$ 148,924
2020	148,924
2021	148,924
2022	148,924

(a) Contributed tangible capital assets:

Contributed assets of \$9,950 (2017 - \$2,970,000) were recognized during the year.

(b) Tangible capital assets disclosed at nominal values:

Where an estimate of fair value could not be made, the tangible capital asset has been recognized at a nominal value.

(c) Works of art and historical treasures:

The District manages and controls various works of art and non-operational historical cultural assets including buildings, artifacts, paintings and sculptures located at District sites and public display areas. These assets are not recorded as tangible capital assets and are not amortized.

(d) Write-down of tangible capital assets:

No write-down of tangible capital assets occurred during the year.

(e) Work in progress:

During the year there were net additions to work in progress of \$992,149 (2017 - \$1,095,691). Amortization of work in progress commences in the year the asset is transferred to tangible capital assets and is put into service.

10. Grants and contributions:

The District recognizes the transfer of government funding received as revenues in the period that the events giving rise to the transfer occurred and the eligibility criteria have been met. Grants and contributions reported on the statement of operations are comprised of:

	2018	2017
		(Restated - note 17)
Operating transfers:		
Small communities and equalization payments	\$ 332,863	\$ 325,148
Other	155,307	132,167

	<u>385,888</u>	<u>4,628,995</u>
	<u>\$ 874,058</u>	<u>\$ 5,086,310</u>

11. Pension plan:

The District and its employees contribute to the Municipal Pension Plan (the "Plan"), a jointly trustee pension plan. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the Plan, including investment of the assets and administration of benefits. The Plan is a multi-employer contributory pension plan. Basic pension benefits provided are based on a formula. The plan has about 197,000 active members and approximately 95,000 retired members. Active members include approximately 39,000 contributors from local government.

The most recent actuarial valuation as at December 31, 2015 indicated a \$2,224 million funding surplus for basic pension benefits. The next valuation will be as at December 31, 2018 with results available later in 2019. Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate with the result that there is no consistent and reliable basis for allocating the obligation, assets and cost to the individual employers participating in the Plan.

The District paid \$141,473 (2017 - \$139,814) for employer contributions to the plan in fiscal 2018.

12. Investment in government business enterprise:

Barkley Community Forest Limited Partnership is limited partnership owned by the District and Toquaht Nation as limited partners and Barkley Community Forest Corporation as the General Partner. The objective and purpose of the partnership is to hold one or more Community Forest Agreements and to carry on such business and activities as may be desirable and permitted under the Community Forest Agreements.

The following table provides draft condensed supplementary financial information for the limited partnership at December 31, 2018.

	2018	2017
Financial Position:		
Assets:		
Current	\$ 2,500,506	\$ 1,529,344

Expenses	1,200,755	633,655
	<u>\$ 4,862,399</u>	<u>\$ 1,136,095</u>

The District has estimated accruals for liabilities outstanding by the limited partnership at December 31, 2018. These amounts may change by a material amount and will be adjusted in the 2019 fiscal year when final financial statements are available. The District's share of income in the government business enterprise was \$2,001,593 (2017 - \$539,065). During 2018, the District received \$2,000,000 of dividends from the government business enterprise, which was recorded as a reduction in its investment. No other transactions occurred between the two entities.

14. Commitments and contingencies:

- (a) Debt issued by the Alberni Clayoquot Regional District ("ACRD"), under provisions of the Local Government Act, is a direct, joint and several liability of the ACRD and each member municipality within the ACRD, including the District.
- (b) In the normal course of a year, claims for damages are made against the District. The District records an accrual in respect of legal claims that are likely to be successful and for which a liability amount is reasonably determinable. The District is self-insured for general liability claims through membership in the Municipal Insurance Association of British Columbia. Under this program, member municipalities are to share jointly for general liability claims against any member in excess of \$5,000. Should the Association pay out claims in excess of premiums received, it is possible that the District, along with the other participants, would be required to contribute towards the deficit.

16. Segmented information:

The District is a diversified municipal organization that provides a wide range of services to its citizens. District services are provided by departments and their activities reported separately. Certain functions that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

General government

The general government operations provide the functions of corporate administration and legislative services and any other functions categorized as non-departmental.

Protective services

Protective services is comprised of three different functions, including the District's emergency management agency, fire, and regulatory services. The emergency management agency prepares the District to be more prepared and able to respond to, recover from, and be aware of, the devastating effects of a disaster or major catastrophic event that will impact the community. The fire department is responsible for providing critical, life-saving services in preventing or minimizing the loss of life and property from fire and natural or man-made emergencies. The mandate of the regulatory services function is to promote, facilitate and enforce general compliance with the provisions of bylaws that pertain to the health, safety and welfare of the community and provide a full range of planning services related to zoning, development permits, variance permits, and current regulatory issues.

DISTRICT OF UCLUELET

Notes to Consolidated Financial Statements (continued)

16. Segmented information (continued):

Transportation services

Transportation services is responsible for a wide variety of transportation functions such as roads and streets. As well, services are provided around infrastructure, transportation planning, pedestrian and cycling issues, harbour facilities, and on-street parking regulations, including street signs and painting.

Planning and environmental services

Planning works to achieve the District's community planning goals through the official community plan, and other policy initiatives. Environmental services was established to assist the Emergency, Planning, Public Works, and Recreation Departments with programs associated with the maintenance or improvement of natural ecosystems.

Recreation and cultural services

Parks is responsible for the maintenance and development of all park facilities. Cultural services facilitate the provision of recreation and wellness programs and services.

Water and Sewer Utilities

The Water and Sewer Utilities operate and distribute the water and sewer networks. They are responsible for the construction and maintenance of the water and sewer distributions systems, including mains and pump stations.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in note 1. Taxation revenue is recognized as general government revenue and has not been allocated to other segments.
